## ICCCS accredited course

The ICCCS Education Committee  
(International Confederation of Contamination Control Societies),  
after review of the submitted course details, established that the SCS  
(Slovenian Cleanroom Society)

### **‘Cleanroom Pass Course’**

fulfils the criteria set by the ICCCS guidelines for international accreditation.

*This course treats subjects according to the relevant ISO standards (ISO 14644 and 14698).  
People attending this course will be certified by examination and each successful candidate is  
awarded a certificate with the ICCCS Accredited Education logo, and has their name placed  
(when given permission) in the ICCCS register <https://www.icccs.net/graduate-register/>.  
A quality assurance system has been established to ensure the agreed standard of this course.*

*This certificate is valid from the 1<sup>st</sup> of August 2025*
